TRADE CIRCULAR

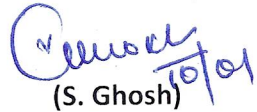

Sub: Restriction on parking of cargo carrying vehicles outside the designated cargo operation areas at Haldia Dock Complex, SMP, Kolkata.

It has been noticed on several occasions that cargo carrying vehicles exiting from demarcated cargo operational areas and storage plots of concerned berth operators have been parked on the roadside inside the Dock premises for undertaking cargo trimming as well as covering, lashing/unlashing after final delivery is given by the concerned berth operators.

These vehicles not only hamper movement of other vehicles inside the Dock area, but also create severe congestion for their unnecessary parking on the roadside. Moreover, it has also been observed that some of the cargo carrying vehicles are unauthorizedly parked on the flyover bridge outside the Main Gate in fully loaded condition, thereby causing huge pressure on the flyover.

It is therefore, requested not to release any load vehicles from the designated cargo operational areas until and unless all the formalities and other activities have been completed, so that the vehicle can directly exit the Dock without requiring to park at any place between the designated cargo operation area and the Exit Gate as well as on the flyover.

In view of same, all concerned are hereby advised to strictly comply with the above. In case of any deviation, the Competent Authority shall initiate strict action against the defaulters.

(S. Ghosh)

Deputy Manager (Sh&CH)
Haldia Dock Complex, SMP, Kolkata.
