TRADE CIRCULAR

Sub: Strict Adherence to Safety Protocol at the premises of HDC.

As you are aware that occupational safety & health of the Dock Workers deployed at the Haldia Dock Complex, SMPK is of utmost importance to minimize safety and health hazards at the work place. The critical need to maintain a safe work place is emphasized.

There are incidences where workmen are found to be in a state of intoxication at the work place. Keeping the safety and health issues of dock workers, working inside the dock area on priority, all Port users / Contractors / Agencies / Transporter working in the dock by engaging dock workers / labours / equipment operators / drivers / helpers etc. are advised to control their workmen to ensure compliance of Regulation 117 etc. of the Dock Workers (Safety Health and Welfare) Regulations 1990. Necessary awareness among the workmen under their control regarding drink and drive / work and the punitive measures for the errands are required to be spread.

The non-compliant dock workers/ labours / equipment operators / drivers / helpers etc. may face penal action including blockage of RFID and work permits.
