

KOLKATA PORT TRUST
General Administrative Department
Estate Division

NOTICE

It has been found that Lessee and Licensee, who are using KoPT's land / structure / godown / premises are storing materials, which are combustible in nature without having proper fire safety measures and statutory permissions, causing huge fire hazards.

It is hereby notified that in all Plates / Structures / Godowns / Premises leased or licensed, security and fire safety measures shall be the responsibility of lessee / licensee. In case of any damage to the Trustees' property or neighbouring property due to not maintaining the required fire safety and security measures, the lessee / licensee will be responsible and will have to bear all costs and consequences thereof.

All concerned are hereby directed to comply with all the necessary fire safety and security measures, as well as, obtaining related clearances and permissions from concerned statutory authorities commensurate to their nature of business.
