## CIRCULAR

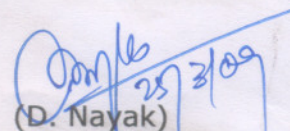

Vessel Declaration and Berthing Request through web based system named Port Community System (PCS) have been implemented successfully at Haldia Dock Complex with the support of all concerned. It has now become imperative to move on to the next level of PCS.

In view of the same it has been decided that concerned Vessel Agents working with Haldia Dock Complex have to submit the following messages through PCS with immediate effect.

- **Bill of Lading/ Agent Delivery Order (AGDORD)**
- **Resource Requisition (RESREQ)**

With effect from 01.04.2009, Delivery Documents may not be accepted pending submission of **Bill of Lading/ Agent Delivery Order** message and Hook Allocation may not be done pending submission of **Resource Requisition** message.

Accordingly all concerned are advised to follow the above guidelines.
