Sub: Conducting sample Digital Life Certificates of the Pensioners/Family Pensioners while visiting Centenary Hospital of SMP, Kolkata

The Chairman; SMP, Kolkata has approved of generating Digital Life Certificate of the pensioner/family pensioner visiting Centenary Hospital to ascertain the genuineness of pensioners / family pensioners availing medical benefits. This exercise will also save hardships faced by pensioners / family pensioners in getting the 'Alive Certificates' for continuance of pension. In this context, the following may kindly be noted:-

- Such Digital Life Certificates will be generated by the representative(s) of Vigilance Department on random basis.
- Pensioners, who desire to get the Digital Life Certificate done, may give such requisition at the front desk of the hospital and a vigilance representative will be available on next working day between 11 AM to 12 noon for generating the Digital Life Certificate.
- As Digital Life Certificate generation requires valid Aadhar Number of a pensioner/family pensioner, the EDP wing may include the Aadhar number of all the registered pensioners / family pensioners in the Medical Department database from the relevant data as available in the Pension database.
- CMO may kindly make necessary arrangements for generation of Digital Life Certificate at the Reception Area.
