Sub- Ease of Doing Business- implementation of gate Module.

.....

As a part of ease of doing business Electronic Delivery order module has been developed by IPA and same is being implemented at Kolkata Dock System container terminal as initial phase from 18/12/2017.

Successful test run of the module has been done by different main line operators. Now all main line operators are advised to test run the module through PCS and intimate if any difficulty is faced by them they are requested to immediately bring it the notice of PCS, traffic and EDP wing of KDS.

In this respect it is to inform if any B/L has more than one container though the aggregate weight will come automatically the individual weight need to be filled by the issuer.

It is also to mention that the registration of CHA's are in the process and till completion print out of e-do so generated to be taken and delivery order to the CHA to be given on the back of e-do by issuer as per present practice. The registration of CHA in the PCS should be completed by 15/12/2017.

  
Capt. Himanshu Shekhar  
Traffic Manager
