

**KOLKATA PORT TRUST**  
**Traffic Department**

No. Tfc/CTO/Procedure.

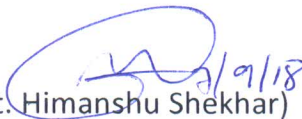

Dated, the 7<sup>th</sup> September, 2018.

Sub: Change export cut off time for container vessels at NSD.

Consequent upon the present situation prevailing all over South Kolkata after sudden collapse of Majerhat Railway Bridge and imposition on restriction of movement of heavy duty vehicles around Port areas by Kolkata Police thereafter, it has been decided by the Competent Authority that export opening window for container vessels shall be extended from 5 days to 7 days with immediate effect.

This is a temporary measure taken by the Port Authority to get rid of problems faced by the Trade. This will valid till such time further Circular is issued in this regard.

All other features of the existing cut off policy shall remain in place as it is.
