

KOLKATA PORT TRUST
KOLKATA DOCK SYSTEM
Traffic Department
An ISO 9001:2008 Port

No. Tfc/CTO/Dock Safety.

Dated, the 19th December, 2018.

All Concerned

Sub: **Restriction of entry of unauthorized worker/personnel at hard working areas.**

As all are aware that wharf/jetty area is one of the high risk zone in any Container Terminal where the man-machine interference is very high which could lead to serious incidents.

All Port users who are allowed to work on wharf/jetty, are hereby advised to use Personal Protective Equipment (PPE) like Helmet, Fluorescent Jacket, Gloves and Safety Shoes etc. while at work.

Kindly note that KoPT shall not be held responsible for any incident due to violating of safety norms and unsafe practices performed by any Port user.
