Sub: Cut-off time for export load containers coming from ICDs.

It has been decided that with effect from 15th September 2015, the following cut-off time for export load containers coming from Inland Container Depots (**ICDs**) will be effective at Kolkata Dock System.

Gate-in (Entry) of load containers at the Container Terminal: up to **1530** hrs on the next day of the arrival of the vessel at the dock.

Recording of readiness for shipment will continue to be up to **1800** hrs on the next day of the arrival of the vessel at the dock.

Granting of extension and the last time of gate-in and recording of readiness shall be decided by Port on the merit of each case. Charges in terms of Srl no. 12 of section 14.1 of the Scale of Rates shall be recoverable from Container Agents for entry and recording of readiness beyond the aforesaid cut-off time. This is in partial supersession of this office circular of even number dated 26.03.14. The matter will be reviewed after 3 months.

All concerned are requested to take note of this for information and guidance.
