दिनांक : 25th April 2017**CIRCULAR****All concerned**

**Sub : Discontinuation of requirement of submission of Mate Receipt
for FCL Containers**

It has since been decided by Kolkata Dock System that for containerised cargo which are stuffed outside port and are received in FCL container/LCL container in port either direct from party's warehouse or from outside CFS or from ICDs, Mate Receipt will not be required to be submitted to Port. For such container, cargo receiving endorsement of Container Agent on Dock Challan for containerized cargo stuffed inside the container will no longer be required.

However, Mate Receipts for containerized cargo stuffed inside Port will continued to be submitted to Port as per present procedure.

The above procedure will be effective from 3rd May 2017.
