No. Tfc/KPD/Stuffing of Containers

Dated 28<sup>th</sup> June, 2018

All concerned,

**Sub: Stuffing of LCL Cargo a/c Nepal and others**

Consequent upon the present situation prevailing within the docks, Competent Authority has decided to facilitate the container stuffing at 27 KPD. The aggregation of consignments of different exporters to be stuffed will be allowed for all the LCL containers, which will be shipped from Container Terminal – KDS.

The upcoming Stuffing facility will function as same as previous facility at 2NSD. Empty containers will enter through 13 KPD gate and will be stacked at 27KPD (N) yard for stuffing of general cargo, which will be received through 13 KPD gate against a Dock Challan with valid Export allow order from MLO.

All concerned are advised to take note of the above for furnishing their respective views and willingness to use the upcoming facility. You are also requested to contact SATM (KPD-Dock II) for further clarification.
