

NOTICE IV

ADDENDUM-CUM-EXTENSION NOTICE

Interested advertisers are requested to note that in terms of decision of KoPT pursuant to the pre-bid meeting held on 16.09.2019, the following amendments are made to the tender documents bearing NIT Nos. KoPT/KDS/LND/32-2019 dated 23.08.2019 to KoPT/KDS/LND/39-2019 dated 23.08.2019.

1. No. of sites of hoarding in each tender is being segregated into two or three separate sub-clusters within the same tender. Evaluation will be made for each sub-cluster now indicated separately. A bidder is at liberty to quote for any or more or all the sub-clusters within the respective tender. EMD for each such cluster is also mentioned in enclosed **Annexure –X**. Bidders may contact the office of the Tender Cell of Estate Division at contact Nos 98362-98697 / 79805-74817 for any clarifications including exact location and site map, if any.
2. The due dates are already revised as per Notice III dated 30.09.2019 which is reproduced below for ready reference:-

Revised vis-à-vis original scheduled dates

Event	Original dates	Revised dates
NIT available for parties to view	Upto 27/09/2019	Upto 05/11/2019
Last date and time of remittance of Tender Fee & Earnest Money Deposit by e-payment mode	Till 5 P.M. on 27/09/2019	Till 5 P.M. on 02/11/2019
Last date and time of submission of online Techno-Commercial Bid and price Bid at www.mstcecommerce.com/auctionhome/kopt/index.jsp	Till 5 P.M. on 30/09/2019	Till 5 P.M. on 05/11/2019
Last date and time of submission of hard copies of the listed papers into the specified box kept in the extended office of Estate Manager at 6, Fairlie Place, Kolkata - 700001	Till 5 P.M. on 30/09/2019	Till 5 P.M. on 05/11/2019

3. If due to any structural issue, a hoarding is not erected on the rooftop, the EMD will be refunded. The decision of Chief Engineer, KoPT will be final in this regard. Also, for rooftop hoarding, it will be the responsibility of the advertiser to ensure that civil work for the said erection should necessarily be done in a manner so that seepage of water does not take place through the surface of the roof. Further,

the allowed superimposed load is 75 kg per sq. m. for the rooftops at Howrah Bridge Quarters and Chetla Quarters. The hoardings/ hoarding structure at roof top are to be erected without impairing the existing roof treatment. In case the same is disturbed, then the same should be restored by the advertiser at their own cost as per satisfaction of Chief Engineer of Kolkata Port Trust or his authorized representative.

4. The same principle shall equally apply for any other issue leading to inability to erect a hoarding and in that event, the decision of EM (R&D) will be final. For this purpose, the amount of EMD shall be determined by multiplying the amount of EMD for the corresponding tender by a fraction, which is the ratio of area of the disputed hoarding and the total area of hoarding considering all the sites in the said tender. The payable rent for the bidder shall also be determined by the same principle. The SD amount shall likewise be determined.

5. The online bid submission for the subject tenders through MSTC website will be activated on 23.10.2019 or 24.10.2019. Accordingly, the bidders are requested to submit their bids online through MSTC website within the closing time i.e. 05.11.2019 as specified.

6. This document is part and parcel of the original tender documents and Notices I, II & III since hoisted in the website. All other terms & conditions as per original tender document will remain the same.
