2.17 Acceptance of Tender:

The Trustees do not bind themselves to accept the lowest tender or any tender and reserve the right to accept the tender in part or full or to cancel the tender as a whole without assigning any reason.

Cost on this account, if any, shall not be reimbursed. Participation in e-tendering process by any bidder or opening of techno-commercial bid of any bidder shall not construe that such bidder is considered automatically qualified.

2.18 Opening of Bids:

- 2.18.1 Only Part -I i.e. Techno-Commercial Bid(s) would be opened online on the date and time as stipulated in the 'NOTICE INVITING E-TENDER'.
- 2.18.2 Part -II i.e. Price Bid(s) of only those bidder(s) who are found techno-commercially qualified, would be opened, with prior intimation to all concerned.
- 2.18.3 In case of unscheduled Holiday / Bandh on the date of opening of E-Tender, the same will be opened on the next working day.

2.19 Scrutiny of e-Tenderers:

- 2.19.1 After opening of the Techno-Commercial Bid, the Tender Document(s) submitted by the bidder(s), shall be carefully examined to ascertain that whether all the bidders have submitted the Earnest Money Deposit, Bid Document Fee and all required documents as mentioned in the Tender Document.
- 2.19.2 In connection with scrutiny, evaluation and comparison of tenders, HDC-KoPT may ask bidder individually for clarifications. Request for clarification and response thereto shall be communicated in writing. No change in price or substance of the tender shall be sought, offered or permitted nor the bidder be permitted to withdraw the tender before the expiry of the Validity Period of the tenders in the process of clarifications.
- 2.19.3 HDC-KoPT may seek any other detail(s) / document(s) in subsequent course to ascertain and get confirmed about the competence of the bidder.
- 2.19.4 The Trustees reserve the right to disqualify a tender in case they are satisfied that any prize, commission, gift or advantage has been given, promised or offered by or on behalf of any bidder, to any officer, employee or representative of the Trustees or to any person on his or their behalf in relation to the acceptance of the tender.
- 2.19.5 If on scrutiny, **Techno-Commercial Bid** of any bidder is found not acceptable to HDC- KoPT, the **Price Bid** part of such bidder **will not be opened**. "Price Bid" part of other bidder(s) will be opened on a subsequent date as per procedure. Decision of the HDC- KoPT in this regard shall be final and binding on the bidder.
- 2.19.6 During Techno-Commercial evaluation, i.e. evaluation of Part - I of tender, an offer shall be considered **non-responsive** in case :-
 - a. Requisite Earnest Money is not deposited
 - b. Requisite Bid Document Fee is not paid.
 - c. Valid NSIC Certificate for MSEs along with DIC's (DISTRICT INDUSTRIES CENTRE)
 - d. Certificate is not submitted, in case of exemption from depositing Bid Document Fee and Earnest Money.
 - e. Any indication of quoted price anywhere in the document(s) uploaded by the bidder.

2.20 Evaluation Criteria:

- 2.20.1 Evaluation with respect to Priced Price Schedule.
 - 2.20.1.1 Price to be quoted strictly in accordance with Clause No. 2.8.3. The Price Bid will be evaluated only for the bidders, who have qualified in the Techno-Commercial Bid. While evaluating the Price Bid, the bidder, who quoted lowest price, shall be considered for award of contract.
 - 2.20.1.3 While evaluating the Price Bid, any extraneous condition will not be considered and the tender shall be liable for outright rejection, if any extraneous condition is found in the offer of the bidding firm.

In case two or more bidders quoting the same Price and their offers become the lowest offer, the respective bidders will be given chance to submit their fresh price bid subject to condition that the fresh price so quoted must be less than the price quoted by the respective bidder earlier.

2.20.1.4 For evaluation purpose: Total evaluated cost = a + (b x c x d)

- a** = Daily hire charge of Locomotive (in Rs)- to be quoted by the bidder.
- b** = HSD consumption by Locomotive per hour (in Ltrs)- to be quoted by the bidder.
- c** = No. of hours run by Locomotive per day- not to be quoted by the bidder. HDC has considered its value as 15 (fifteen) hours.
- d** = Cost of HSD per litre (in Rs)- not to be quoted by the bidder. HDC has considered its value as Rs 59.10 per Ltr.

Lowest tenderer (L-1) would be determined based on the lowest evaluated cost in totality as stated above.

2.20.1.5 HDC has considered the rate of HSD as Rs 59.10 per Ltr.

2.20.1.6 Nos. of hours run of locomotive per day (i.e. 03 shifts) is to be considered as 15 hours.

2.20.1.7 While evaluating tenders, regard would be paid to National Defence and Security Considerations.

2.21 Award of Contract:

2.21.1 The successful bidder who's bid is accepted by HDC- KoPT (please refer to **Clause No. 2.20**) shall be duly informed in writing, prior to expiration of the tender validity period, that their tender has been accepted. This notification of award of contract will be treated as **Order Letter** and will constitute the formation of the contract. **Within 15 days** of receipt of intimation regarding acceptance of their bid, the successful bidder shall have to **submit Draft Agreement**, in the format as in **Annexure – XV** and within a week thereafter the **Contract Agreement** shall be signed between **Kolkata Port Trust** and the **successful bidder**. For this, the successful bidder will submit, at their own cost, required **Stamp Papers** and **Dummy Papers** and **three sets of documentary transactions** between them and Kolkata Port Trust, till finalization of the contract. This Agreement should be signed by the representative of the successful bidder, authorized through a **Power of Attorney** [specimen signature of the Authorized Representative must be attested] in this regard.

2.21.2 Kolkata Port Trust reserve the right to accept or reject the tender in part or as a whole and do not bind themselves to accept the lowest tender or any tender, without assigning any reason and no damage claim whatsoever will be payable by Kolkata Port Trust in this regard. Mere participation in e-tender by any bidder or opening of techno-commercial bid of any bidder shall not construe that such bidder is considered automatically qualified for award of contract. Such qualification may also include information regarding performance of bidder from any other source.

2.22 Stamp Duty and Other Expenses:

All costs, charges and expenses etc. to be incurred in connection with Contract Agreement / Bank Guarantee(s) etc. including Stamp Duty in connection with contract shall be borne by the successful bidder.

- Formation of empty rakes and taking the rake to empty line as well as re-marshalling as and when needed by HDC- KoPT.

3.2 System Description

HDC-KoPT is connected with Durgachak station of South Eastern Railway. The Railway System is spread over an area of approximate 65 hectares with 115 Kilometers of track length and 11.5 Kilometers of route length having 15 nos. of railway sidings within the Dock Zone and 9 sidings outside the Dock Zone is catering to bulk, break bulk and containerized cargo. HDC Railway is working as Terminal agent of SE Railway as per the working agreement.

HDC Railway, apart from meeting the aggregation and evacuation requirement of Port bound cargo is also catering to the demand of port based industries.

At present, on an average, 12 out bound rakes and 12 in bound rakes are required to be handled daily at various sidings and the number of in bound and out bound rakes are likely to increase substantially in the near future due to increased volume of rail borne cargo expected to be handled at this port.

Handling of rail borne traffic involves not only placement and withdrawal of rake but also attachment and detachment of sick/reject wagons, weighment of the rake and formation of outward rakes within the free time to avoid detention.

HDC is primarily a dry bulk and liquid cargo handling Port and the Port is well connected to the various industries in the hinterland through railway network. Due to smooth evacuation / aggregation of cargo through rail movement, more and more users are attracted towards Haldia and thus it is felt that the strengthening of the railway operation at Haldia is absolute necessity.

Locomotive should be capable to haul minimum 4000 MT on straight & level track, failing which the loco will be rejected. A Test run for a period of 24 hours of the offered Locomotive will be conducted at site in presence of representatives of the contractor & HDC-KoPT.

4.19 Operation Mode & Charges:

4.19.1 The Locomotive shall be ready for operation for 24 hours.

4.19.2 On Standby Mode:

The Locomotive shall be deemed to be on standby if the Locomotive is made available to the authorized officer fully ready and fit for operation with sufficient crew & fuel on board whereby the officer can order the Loco Driver to commence operation at 15 minutes notice.

4.20 Accrual of Charges:

The contractual charges are inclusive of all the expenses connected to the operation of the Locomotive including supply of manning and materials for the same. The charges shall accrue to the contractor at the rates quoted by him and accepted by HDC-KoPT.

4.21 Daily Hire Charge: Daily Hire Charge shall be paid for the day the Locomotive is in operation/standby mode as described in clauses 4.19.1 and 4.19.2 above.

4.22 Penalty:

- a) HDC, KoPT will not pay any of the scheduled rates for the days the operation of the Locomotive, is suspended for the reason attributable to the contractor. Further a sum equivalent to 50% of the 'Daily Hire Charge' under Bill of Quantities will be imposed as penalty for each day or part thereof during the DEFICIT PERIOD. However, Engineer of the contract may waive of the penalty if he is satisfied that the reason of the default were beyond the control of contractor.
- b) If the hired locomotive gets involved in any sort of accident / derailment taking toll of life or material or both or creating dislocation owing to inadvertent operations or loss of alertness, the site –in –charge of the firm shall have to submit a detailed report of the accident enumerating its cause to HDC-KoPT. HDC-KoPT in turn shall verify the above submission, if necessary by forming a committee in which one representative of the firm will be there. In case of driver/Locomotive the committee as aforesaid may opine being responsible for such accident as, the penalty will be at actuals and the same to be deducted from the party's monthly RA bill or any other sum payable.
- c) In case the offered Locomotive is not available for operation for a period of more than 7(seven) days, then a substitute Locomotive with similar/ better specification (including age of the locomotive) shall be provided as a replacement by the Contractor at no extra charge within 15 days from the time and date the offered Locomotive is inoperative / broken down. However, supply of fuel to the replacement Locomotive will be restricted only up to the limit permissible for the locomotive originally offered on hire failing which risk purchase clause, stated in enclosed GCC may be invoked.
- d) If the Contractor fails to deliver the offered/ substituted Locomotive as per specification given in the tender within 30 days from the date of the issuance of Letter of Intent, liquidated damages at the rate of Rs.50,000/- per day will be levied on the Contractor from the 31st day onward, and if the Locomotive is not delivered for operation within 45 days from the date of issuance of Letter of Intent, the Contract shall be liable to be terminated and Security Deposit forfeited.

4.23 Duration of the contract: This contract will come into effect from the date of signing of agreement and will remain valid for two years from the date of supply and acceptance of the locomotive.

4.24 The Locomotive will normally ply at manoeuvring speed but, may have to be increased or decreased as per operational requirement.

4.25 The Locomotive shall be under the operational command of Sr.Dy.Manager (Rly), HDC or his authorised representatives.

4.26 All transportation costs towards men and material will be the responsibility of the contractor.

4.27 Fuel supply: The contractor, at their cost, will print sufficient number of log books and log abstracts as per HDC-KoPT's approved format. The contractor has to maintain a daily log book for the Locomotive. All particulars of the Locomotive including movement of the Locomotive (From-To), engine's important parameters, daily running hours, Fuel (HSD) position in Fuel tank of Locomotive: Opening Balance (OB) at the beginning of shift & Closing Balance (CB) at the end of shift, fuel oil consumed / received etc. to be logged daily and to be signed by the In-Charge of the Locomotive and countersigned by authorized representative of TO(Rly) Division under Traffic Department of HDC-KoPT. A monthly log abstract to be prepared mentioning all the above stated important parameters duly signed by the In-Charge and same to be submitted with the monthly bill without which no payment will be released. The daily logbook to be retained on Locomotive / office and same to be produced on demand. In view, HDC is an ISO 9001:2008 organization; the Locomotive will be required to follow ISO 9001: 2008 guidelines.

4.28 Energy conservation: The Contractor shall undertake strict measures for 'Energy Conservation' at all times. HSD will be issued by Loco Section of P&E Division under Engineering Department, HDC-KoPT upon generation of indent by the contractor and countersigned by Sr.Dy.Manager (Rly) or his authorized representative under Traffic Operations (Rlys.) Division. The Fuel would be dispensed during the period from 08:00 Hrs -17:00 Hrs on all days. The indent with date should specify quantity of fuel required (in Ltrs), last date of receipt of HSD with quantity of fuel (in Ltrs), current stock of fuel (in Ltrs) in Loco Fuel Tank, name & designation of indenting official of contractor, name & designation of countersigning official of TO(Rly) Division under Traffic Department. PROCEDURE OF PAYMENT OF EARNEST MONEY AND BID DOCUMENT FEE OF TENDERS OF HALDIA DOCK COMPLEX

THROUGH AXIS BANK GATEWAY

1. The Bidders would be able to access the payment gateway from the Vendor log in page of the MSTC ecommerce site (www.mstcecommerce.com → e-Procurement → *Psu / Govt depts* → *Kolkata Port Trust*) under the icon: “HDC **EMD/Tender Fee Payment**”. Clicking this icon will take the bidders to the Axis bank gateway.

Alternatively, the Bidders can also access the gateway by from Axis bank easypay website site (<https://easypay.axisbank.co.in> → Others → Haldia Dock Complex)

2. The Bidder will be required to mention the **Bidder's ID** (The ID used by the Bidder for logging in the MSTC Website) and **Bid Id** (E-tender Number of the Tender against which the Bidders intend to submit Bid) and then Click '**VALIDATE**'.
3. A webpage will populate where the Bidder will be required to select: **Earnest Money** Or **Bid Document Fee**, then indicate his Mobile Number and the CAPTHA displayed in the webpage.
4. Depending on the selection, another webpage will come up.
5. In case of selection of Earnest Money, The bidder will be required to select the option of With or without Bank Guarantee. In case of Bids, where there is no option to pay through BG, the Bidders should select the option '**Without**'.

In case of any tender, where there is an option to pay a part of EM through Bank Guarantee and the Bidders wants to avail that option, the bidder should select 'With'.

6. The Bidder will be required to mention their Bank Account Number, IFSC Code of his Bank, and the Name of the Account, insert the Captha mentioned in the web page and then '**SUBMIT**'. In case of Bid Document Fee payment, Bank Account Number would not be required.

An URN Number will be generated. Bidders may keep note of this URN Number for all future reference.

7. Another webpage will come up and the Bidder will have the option to select payment methods from – (i) Internet Banking and (ii) NEFT/RTGS after agreeing with the terms and conditions by clicking the dialogue box appearing in the webpage.
8. In case of selection of Internet Banking, the bidder will be required to select any Bank of their choice and depending on the selection the bidder will then be guided to the webpage of the respective Bank. After validating the payment in the respective bank, the system will return to the Axis Bank Payment gateway.
9. In case of selection of RTGS/NEFT, the webpage will generate a payment advice.

The Bank Account Number, IFSC Code of the Bank, Name of the payee i.e Haldia Dock Complex and the amount to be paid will be indicated in the said payment advice. The Bidders will also get an SMS and Email detailing the same.

The Bidder will be required to mention the same correctly in the Bank challan which is required to be filled up for payment by RTGS/NEFT in the bank from where they intend to make the payment.

The Bidders should note that Bank A/C number of HDC mentioned in the Payment advice will change for each and every transaction and hence for each and every payment the entire process from the beginning will have to be followed for generation of a URN Number.

10. For payment of Bid Document fee, identical process is to be followed.
11. The Bidders will be able to know the status of their payment by using the 'Enquire URN' facility by mentioning the URN Number in the Axis Bank login page. Until such time the payment is credited to HDC's A/C the system will show the status as 'Pending'.
12. The Bidders should note that until such time the status remains 'Pending', the payment is not made to HDC and mere generation of URN Number will not signify payment of EM or Bid Document Fee. Hence, if the status remains 'Pending' after some time of submitting the RTGS/NEFT payment request at their Bank, then the bidder should contact their Bank to enquire about the status of RTGS/NEFT request.
13. In case of any problem relating to use of the payment gateway the bidder should contact the tender inviting authorities whose phone number and email address is mentioned in the e-tender

- Contractor to replace materials/work not acceptable to the Engineer or his Representative
- 5.10 No work shall be covered up and put out of view by the contractor without approval of the Engineer or his Representative and whenever required by him, the contractor shall uncover any part or parts of the work or make openings in or through the same as may be directed by the Engineer or his representative from time to time and shall reinstate or make good those part of works thus affected to the satisfaction of the Engineer, all at the cost of the contractor.
- Contractor to seek approval of Engineer or his Representative before covering up any portion of work
- The Trustees shall reimburse such cost as determined by the Engineer, if the initial covering up was with prior written order of the Engineer or his Representative.

- 5.11 On a written order of the Engineer or his Representative, the contractor shall delay or suspend the progress of the work till such time the written order to resume the execution is received by him. During such suspension the contractor shall protect and secure the work to the satisfaction of the Engineer or his Representative. All extra expenses in giving effect to such order shall be considered by the Trustees, unless such suspension is – Contractor to suspend work on Order from Engineer or his Representative
- (a) otherwise provided for in the contract, or
 - (b) necessary by reason of some default on the part of the contractor, or
 - (c) necessary by reason of climatic conditions on the site, or
 - (d) necessary for proper execution of the works or for the safety of the works or any part thereof.
- The Engineer shall settle and determine such extra payment and/or Extension of completion time to be allowed to the contractor, as shall, in the opinion of the Engineer, be fair and reasonable.
- 5.11.1 If at any time before or after commencement of the work the Trustees do not require the whole of the work tendered for, the Engineer shall notify the same to the contractor in writing and the contractor shall stop further works in compliance of the same. The Contractor shall not be entitled to any claim for compensation for underived profit or for such premature stoppage of work or on account of curtailment of the originally intended work by reason of alteration made by the Engineer in the original specifications, drawings, designs and instructions.
- 5.12 When the whole of the work has been completed to the satisfaction of the Engineer and has passed any final test prescribed in the contract, the contractor shall, within 21 days of submission of his application to the Engineer, be entitled to receive from him a certificate for completion of work in Form G.C.1, annexed hereto. If any part of the total work having been completed to the satisfaction of the Engineer, be taken over and/or used by the Trustees, the Contractor shall on application be entitled to partial completion certificate in the Form G.C.1 indicating the portion of the work covered by it, so that the Contractor's liability during maintenance period of the contract, if any, shall commence from the date mentioned in such certificate so far as the completed portion of the work is concerned. Completion Certificate G.C.1.

6.0 TERMS OF PAYMENT :

- | | | |
|------------|--|--|
| 6.1 | <p>No sum shall be considered as earned by or due to the Contractor in respect of the work till final and satisfactory completion thereof and until a certificate of final completion in Form G.C.2 has been given by the Engineer.</p> <p>On account payments, if any, made prior to issue of the certificate in Form G.C.2, shall all be treated as mere advance, which shall stand recoverable in full or in part, if the Engineer so decides in the context of Contractor's unfulfilled contract condition, if any.</p> | <p>All interim payments are advances till issue of Certificate in Form G.C.2</p> |
| 6.2 | <p>All payments shall be made to the Contractor only on the basis of measurements of actual work done, as recorded in the Trustees' measurement books and at accepted tendered or at agreed rates, as the case may be, except as otherwise provided in the contract and when the Engineer decides any other rate for change in the scope of work or omission, if any, on the part of the Contractor.</p> | <p>Payment on the basis of measurements at agreed rates.</p> |
| 6.3 | <p>For work of sanctioned tender value more than Rs.50,000/- or having an initially stipulated completion period of 4 months or more, on account payments may be made at the discretion of the Engineer or his Representative at intervals deemed suitable and justified by him. Provided always that subject to execution of work of substantial value in the context of the contract price, the interval of such on account payments shall be decided by the Engineer or his Representative, which shall ordinarily not be less than 1 month in between two payments for on account bill and/or advance.</p> | <p>Limitation for on account payment</p> |

- 6.4 Measurement for works done shall be progressively taken by the Engineer's Representative and entered in the Trustees' Measurement Book, at intervals deemed suitable and proper by him and/or the Engineer. The Contractor or his duly accredited Representative or Agent shall remain present at the time of such measurement and assist the engineer's Representative in every manner required by him. After the measurements taken have been entered in the Measurement Book, the Contractor or his Agent shall sign the Measurement Book at the end of such Measurements over the Contractor's Rubber Stamp as a token of acceptance of all such measurements, recorded above and prior to such signature. If the Contractor or his Agent fails to participate even after 3 days written notice from the Engineer's Representative, the measurement shall be taken ex-parte by the Engineer's Representative and those shall be accepted by the Contractor.
- 6.5 Based on the quantum of work and the value thereof computed in the Measurement Book, the Contractor shall type out his bill in the proforma approved by the Engineer and submit the same to the Engineer's Representative in quadruplicate, duly signed by him or his accredited Agent over his Rubber Stamp. The Engineer or his Representative may, in his absolute discretion, allow advance payment against such bill to the extent of an amount not exceeding 75% of the "net payable" sum of the said bill, subject to adjustment thereof against the bill at the time of checking and auditing the bill at the Trustees' end. The measurement Book will not be handed over to the Contractor; but he will obtain the abstracts of quantities, amounts and recoveries to type out the bill.
- 6.6 At the discretion of the Engineer or his Representative and only in respect of accepted offers/where estimated amount put to tender would be Rs.2,00,000/- or more, advance payment may be made to the extent of 75% of the value of any material purchased and brought to the site by the Contractor, Provided always that –
- (i) the materials shall, in the opinion of the Engineer or his Representative, be of imperishable nature,
 - (ii) the value of such materials shall be assessed by the engineer or his Representative at their own discretions,
- Recording of measurements
- Contractor to prepare and submit his bills
- Advance payment against Non-perishable materials

- (iii) a formal agreement has been drawn up with the contractor, under which the Trustees secure a lien on the contractor's materials,
- (iv) the materials are safe-guarded by the contractor against losses, shortage and misuse due to the contractor postponing the execution of the work or otherwise,
- (v) in the event of storage of such materials within the Trustees' protected areas in the Docks, the contractor shall submit an Indemnity Bond in the proforma and manner acceptable to Trustees' whereby the contractor shall indemnify the Trustees against all financial loss/damage, on account of loss/damage to such materials for whatever reasons,
- (vi) in the event of storage of such materials outside the Trustees' protected areas the Contractor shall submit to the Engineer an irrevocable Bank Guarantee favouring the Trustees and for the same sum as is being advance, in the proforma and manner acceptable to the Trustees. The Guarantee shall be of a Calcutta/Haldia Branch of any Nationalised Bank or a Schedule Commercial Bank, as the case may be, acceptable to the Trustees and shall remain valid till the anticipated period of consumption of such materials in the work. The Bank Guarantee must bear an undertaking by the issuing Bank guaranteeing automatic payment of the guaranteed sum to the Trustees by the Bank on the date of expiry of the validity of the Guarantee, unless with the prior written approval of the Engineer on behalf of the Trustees, the Bank has extended the validity of the Guarantee.
- (vii) The amount of advance shall be recoverable from the contractor's bills or any other dues, progressively with the consumption of the materials on the basis of quantity consumed. Consequent on full recovery of the advance the Indemnity Bond/Bank Guarantee, vide Sub-clause (v) & (vi) above, shall be returned to the Contractor duly discharged by the Engineer on behalf of the Trustees.

6.7	No certificate of the Engineer or his representative shall protect the Contractor against or prevent the Trustees from obtaining repayment from the Contractor, in case the Engineer or his representative should overcertify for payment or the Trustees should over-pay the Contractor on any account.	Recovery for wrong and over payment
6.8	No claim for interest shall be admissible or payable to the Contractor at any stage and in respect of any money or balance or Bank Guarantee, which may be due to the Contractor from the Trustees, owing to dispute or otherwise or for any delay on the part of the Trustees in making interim or final payment or otherwise.	Interest not admissible to Contractor
7.0	VARIATION AND ITS VALUATION :	
7.1	The Quantities set out in the Bill of Quantities of the tender shall be treated as estimated quantities of the work and shall never be deemed as actual or correct quantities of the works to be executed by the contractor in fulfilment of his obligation under the contract.	Quantities in Bill of Quantities of Tender
7.2	<p>The Engineer shall have the power to order the Contractor in writing to make any variation of the quantity, quality or form of the works or any part thereof that may, in his opinion, be necessary and the Contractor upon receipt of such an order shall act as follows :</p> <p>(a) Increase or decrease the quantity of any work included in the contract.</p> <p>(b) Omit any work included in the contract.</p> <p>(c) Change the Character or quality or kind of any work included in the contract.</p> <p>(d) Change the levels, lines, position and dimensions of any part of the work, and</p> <p>(e) Execute extra and additional work of any kind necessary for completion of the works</p>	Engineer's power to vary the works
7.3	No such variation shall in any way vitiate or invalidate the contract or be treated as revocation of the contract, but the value (if any) of all such variations evaluated in accordance with the Engineer's sole decision shall be taken into account and the contract price shall be varied accordingly.	Variation by engineer do not vitiate the contract

- | | | |
|-----|---|---|
| 7.4 | <p>Provided always that written order of the Engineer shall not be required for increase or decrease in the quantity of any work upto 15% where such increase or decrease is not the result of any variation order given under this clause but is the result of the quantities exceeding or being less than those stated in the bill of quantities. Provided also that verbal order of variation from the Engineer shall be complied with by the Contractor and the Engineer's subsequent written confirmation of such verbal order shall be deemed to be an order in writing within the meaning of this clause.</p> | Where written order for variation is not needed |
| 7.5 | <p>(a) The Contractor shall not be entitled to any claim of extra or additional work unless they have been carried out under the written orders of the Engineer.</p> <p>(b) The Engineer shall solely determine the amount (if any) to be added to or deducted from the sum named in the tender in respect of any extra work done or work omitted by his order.</p> <p>(c) All extra, additional or substituted work done or work omitted by order of the Engineer shall be valued on the basis of the rates and prices set out in the contract, if in the opinion of the Engineer, the same shall be applicable. If the contract does not contain any rates or prices directly applicable to the extra, additional or substituted work, then the Engineer may decide the suitable rates on the basis of Schedule of Rates (including surcharge in force at the time of acceptance of tender), if any, adopted by the Trustees with due regard to the accepted contractual percentage, if any thereon. In all other cases the Engineer shall solely determine suitable rates in the manner deemed by him as fair and reasonable, and his decision shall be final, binding and conclusive.</p> <p>(d) If the nature or amount of any omission or addition relative to the nature or amount of the whole of the contract work or to any part thereof shall be such that, in the opinion of the Engineer, the rate of prices contained in the contract for any item of the works or the rate as evaluated under sub-clauses (b) and (c) of this clause, is by reason of such omission or addition rendered unreasonable or in-applicable, the Engineer shall fix such other rate or price as he deems proper and the Engineer's decision shall be final, binding and conclusive.</p> | Payment for extra or additional or omitted work or substituted work Engineer's powers |

- 8.0 DELAY / EXTENSION OF COMPLETION TIME / LIQUIDATED DAMAGE / TERMINATION OF CONTRACT**
- 8.1** Should the quantum of extra or additional work of any kind or delayed availability of the Trustees' materials to be supplied as per contract or exceptionally adverse climatic conditions and natural phenomenon or strikes, lock-outs, civil commotion or other special circumstances of any kind beyond the control of the Contractor, cause delay in completing the work, the contractor shall apply to the Engineer in writing for suitable extension of completion time within 7 days from the date of occurrence of the reason and the Engineer shall thereupon consider the stated reasons in the manner deemed necessary and shall either reject the application or determine and allow in writing the extension period as he would deem proper for completion of the work, with or without the imposition of "Liquidated Damage" Clause (No.8.3 hereof) on the Contractor and his decision shall be binding on the Contractor. If an extension of completion time is granted by the Engineer, the Clause No.8.3 of the Liquidated damage shall apply from its date of expiry, if the work be not completed within the extended time, unless stated otherwise in the decision communicated by the Engineer, as aforesaid. **Extension of completion time**
- 8.2** **(a)** If the Contractor fails to complete the work within the stipulated dates or such extension thereof as communicated by the Engineer in writing, the Contractor shall pay as compensation (Liquidated Damage) to the Trustees and not as a penalty, ½% (half percent) of the total value of work (contract price) as mentioned in the letter of acceptance of the tender/offer, for every week or part thereof the work remains unfinished. Provided always that the amount of such compensation shall not exceed 10% of the said value of work. **'Liquidated Damage' and other compensation due to Trustees**

(b) Without prejudice to any of their legal rights, the Trustees shall have the power to recover the said amount of compensation/damage in Sub-clause (a) of this clause, from any money due or likely to become due to the Contractor. The payment or deduction of such compensation/damage shall not relieve the Contractor from his obligation to complete the work or from any of his other obligations/liabilities under the contract and in case of the Contractor's failure and at the absolute discretion of the Engineer, the work may be ordered to be completed by some other agency at the risk and expense of the Contractor, after a minimum three days notice in writing has been given to the Contractor by the Engineer or his Representative.

- 8.3 Without being liable for any compensation to the Contractor, the Trustees may, in their absolute discretion, terminate the contract and enter upon the site and works and expel the Contractor there from after giving him a minimum 3 days' notice in writing, due to occurrence of any of the following reasons and decision of the Trustees in this respect, as communicated by the Engineer shall be final and conclusive :
- Default of the Contractors remedies & powers/Termination of Contract.
- (i) The Contractor has abandoned the contract.
 - (ii) In the opinion of the Engineer, either the progress of work is not satisfactory or the work is not likely to be completed within the agreed period on account of Contractor's lapses.
 - (iii) The Contractor has failed to commence the works or has without any lawful excuse under these conditions, has kept the work suspended for at least 15 days despite receiving the Engineer's or his Representative's written notice to proceed with the work.
 - (iv) The Contractor has failed to remove materials from site or to dismantle or demolish and replace work for 7 days after receiving from the Engineer or his representative the written notice stating that the said materials or work were condemned and rejected by him under these conditions.

- (v) The Contractor is not executing the works in accordance with the contract or is persistently or flagrantly neglecting to carry out his obligations under the contract.
 - (vi) Any bribe, commission, gift or advantage is given, promised or offered by or on behalf of the contractor to any officer, servant or representative of the Trustees or to any person on his or their behalf in relation to the obtaining or to the execution of the contract.
 - (vii) The Contractor is adjudged insolvent or enters into composition with his creditors or being a company goes into liquidation either compulsory or voluntary.
- 8.3.1 Upon receipt of the letter of termination of work, which may be issued by the Engineer on behalf of the Trustees, the Contractor shall hand over all the Trustees' tools, plant and materials issued to him at the place to be ascertained from the Engineer, within 7 days of receipt of such letter.
- 8.3.2 In all such cases of Termination of work, the Trustees shall have the power to complete the work through any other agency at the Contractor's risk and expense and the Contractor shall be debited any sum or sums that may be expended in completing the work beyond the amount that would have been due to the Contractor, had he duly completed the whole of the work in accordance with the contract.
- 8.3.3 Upon termination of contract, the Contractor shall be entitled to receipt payment of only 90% of the value of work actually done or materials actually supplied by him and subject to recoveries as per contract, provided the work done and materials conform to specifications at the time of taking over by the Trustees. The payment for work shall be based on measurements of actual work done and priced at approved contract rates or other rates, as decided by the Engineer. The payment for materials supplied shall be at the rates as decided by the Engineer, which shall in no case be more than market rates prevailing at the time of taking over by the Trustees. The Engineer's decision in all such case shall be final, binding and conclusive.
- 8.3.4 The Trustees shall have the power to retain all moneys due to the Contractor until the work is completed by other agency and the Contractor's liabilities to the Trustees are known in all respect.

- 9.0 MAINTENANCE AND REFUND OF SECURITY DEPOSIT**
- 9.1** On completion of execution of the work the Contractor shall maintain the same for a period, as may be specified in the form of a Special Condition of the Contract, from the date mentioned in the Initial Completion Certificate in Form G.C.1. Any defect/fault, which may appear in the work during aforesaid maintenance period, arising, in the sole opinion of the Engineer or his representative, from materials or workmanship not in accordance with the contract or the instruction of the Engineer or his representative, shall, upon the written notice of the Engineer or his representative, be amended and made good by the Contractor at his own cost within seven days of the date of such notice, to the satisfaction of the Engineer or his representative, failing which the Engineer or his representative shall have the defects amended and made good through other agency at the Contractor's risk and cost and all expenses, consequent thereon or incidental thereto, shall be recoverable from the Contractor in any manner deemed suitable by the Engineer.
- 9.2** The Contract shall not be considered completed and the work shall not be treated as finally accepted by the Trustees, until a Final Completion Certificate in Form G.C.2 annexed hereto shall have been signed and issued by the Engineer to the contractor after all obligations under the Contract including that in the maintenance period, if any, have been fulfilled by the Contractor. Previous entry on the works or taking possession, working or using thereof by the Trustees shall not relieve the Contractor of his obligations under the contract for full and final completion of the work.
- 9.3** On completion of the contract in the manner aforesaid, the Contractor may apply for the refund of his Security Deposit by submitting to the Engineer (i) The Treasury Receipts granted for the amount of Security held by the Trustees, and (ii) his "No further claim" Certificate in Form G.C.3 annexed hereto (in original), where upon the Engineer shall issue Certificate in Form G.C.2 and within two months of the Engineer's recommendation, the Trustees shall refund the balance due against the Security Deposit to the Contractor, after making deduction therefrom in respect of any sum due to the Trustees from the Contractor.
- Contractor's obligation for maintenance of work.
- Certificate of final completion
- Refund of Security Deposit

- 10.0 INTERPRETATION OF CONTRACT DOCUMENTS, DISPUTES AND ARBITRATION**
- 10.1** In all disputes, matters, claims, demands or questions arising out of or connected with the interpretation of the Contract including the meaning of Specifications, drawings, designs and instructions or as to the quality of workmanship or as to the materials used in the work or the execution of the work whether during the progress of the works or after the completion and whether before or after the determination, abandonment or breach of the contract the decision of the Engineer shall be final and binding on all parties to the contract and shall forthwith be given effect to by the Contractor. **Engineer's decision**
- 10.2** If, the Contractor be dissatisfied with any such decision of the Engineer, he shall within 15 days after receiving notice of such decision require that the matter shall be referred to Chairman, who shall thereupon consider and give a decision. **Chairman's award.**
- 10.3** If, however, the Contractor be still dissatisfied with the decision of the Chairman, he shall, within 15 days after receiving notice of such decision require that within 60 days from his written notice, the Chairman shall refer the matter to an Arbitrator of the panel of Arbitrators to be maintained by the Trustees for the purpose and any such reference shall be deemed to be a submission to arbitration within the meaning of Indian Arbitration Act, 1940 or any statutory modification thereof. **Arbitration.**
- 10.3.1.** If the Arbitrator so appointed is unable or unwilling to act or resigns his appointment or vacates his office due to any reason whatsoever, another person from panel shall be appointed as Sole Arbitrator and he shall proceed from the stage at which it was left by his predecessor.
- 10.3.2** The Arbitrator shall be deemed to have entered on reference on the date he issues notice to both the parties fixing the date of first hearing.
- 10.3.3** The time limit within which the Arbitrator shall submit his award shall normally be 4 months as provided in Indian Arbitration Act, 1940 or any amendment thereof. The Arbitrator may, if found necessary, enlarge the time for making and publishing the award, with the consent of the parties.

- 10.3.4 The venue of the arbitration shall be either Calcutta or Haldia as may be fixed by the Arbitrator in his sole discretion. Upon every or any such reference the cost of any incidental to the reference and award respectively shall be in the discretion of the Arbitrator who may determine, the amount thereof or by whom and to whom and in what manner the same shall be borne and paid.
- 10.3.5 The Award of the Arbitrator shall be final and binding on all parties subject to the provisions of the Indian Arbitration Act 1940 or any amendment thereof. The Arbitrator shall give a separate award in respect of each item of disputes and respective claim referred to him by each party and give reason for the award.
- 10.3.6 The Arbitrator shall consider the claims of all the parties to the contract – within only the parameters of scope and conditions of the contract in question.
- 10.3.7 Save as otherwise provided in the contract the provisions of the Arbitration Act, 1940 and rules made thereunder, for the time being in force, shall apply to the arbitration proceedings under this Clause.
- 10.4 The Contractor shall not suspend or delay the work and proceed with the work with due diligence in accordance with Engineer's decision. The Engineer also shall not withhold any payment, which, according to him, is due or payable to the Contractor, on the ground that certain disputes have cropped up and are likely to be referred to arbitration.
- 10.5 Provided always as follows:
- [a] Nothing of the provisions in paragraphs 10.3 to 10.3.7 hereinabove would apply in the cases of contracts, where tendered amount appearing in the letter of acceptance of the tender / offer is less than Rs.40,00,000/-.
 - [b] The Contractor shall have to raise disputes or differences of any kind whatsoever in relation to the execution of the work to the Engineer within 30 days from the date of occurrence of the cause of dispute and before the preparation of the final bill, giving detailed justifications, in the context of contract conditions.

- [c] Contractor's dispute, if any, arising only during the maintenance period, if any, stipulated in the contract, must be submitted to the Engineer, with detailed justifications in the context of contract Conditions, before the issuance of final completion certificate in Form G.C, 2.

No dispute or difference on any matters whatsoever, pertaining to the Contract can be raised by the contractor after submission of certificate in Form G.C. 3 by him.

- [d] Contractor's claim / dispute raised beyond the time limits prescribed in sub-clauses 10.5[b] and 10.5 [c] hereinabove, shall not be entertained by the Engineer and / or by any Arbitrator subsequently.
- [e] The Chairman / Trustees shall have the right to alter the panel of Arbitrators, vide Clause 10.3 hereinabove, on their sole discretion, by adding the names of new Arbitrators and / or by deleting the names of existing Arbitrators, without making any reference to the Contractor.
