We would like to inform that we have a vault at ground floor of our Jawahar Tower Building in which the daily collection and the amount withdrawn from bank to meet our day to day cash requirement are kept. For the safeguard of vault we are deploying about 2 No.s armed Central Industrial Security Force personnel round the clock through out the year and at the same time we also insure our Vault with an Insurance Company against “Fire” as well as “Burglary and house Breaking”, “Transit Policy”.

We are also having a transit insurance for Covering the risk involved while the money is in transit in it's way to our vault at Jawahar Tower Building from Banks (situated at a distance of about 15 KM approx) collection from General Cargo Berth, Chiranjibpur office, Phosphate Berth, Truck Terminal at City Centre or on it's way to our payment sites. For the safer movement of cash we always deploy Armed Personnel of Central Industrial security Force.

The existing insurance contract covering the above mentioned risk i.e; “Fire”, “Burglary and House Breaking” and “Transit Policy” is going to expire soon. Hence we want to enter into a fresh contract for a period of 05 (Five) years for the above risk coverage which would become operative from 0.00 hours of 07/10/2015. The insured Amount would be Rs. 10.00 Lakhs per day against “Fire” and “Burglary and House Breaking” in the vault. And for “Transit Policy” the Amount of Money in Transit would be Rs.10.00 Lakhs with single carrying limit of Rs.10.00 Lakhs.

You are requested to go through the existing over-all security Arrangement, mode of transportation of money and other relevant details in around Jawahar Tower etc. And quote your most favourable rates along with details terms and condition within 11-00 A.M of 28/08/2015 in sealed envelope duly super scribed as “Vault Insurance” Not to be opened to General Manager (Finance)'s office.
