Sub: Extension of time for dredging of Approach jetty & Lock Barrel

Dear sirs,

Further to the circular earlier on the subject, dredging of Approach Jetty and Lock Barrel is extended for 12 hrs from the scheduled completion time. This is in view of delayed commencement of Approach jetty dredging.

It is felt that leaving a part of a shoal undredged will render the entire exercise futile. Port users are requested to bear with us for the delay.

Shipping to Impounded Dock will commence with 10th night departures i.e. w.e.f. 0400 hrs on 11/04/2014.

Regards,
