TRADE CIRCULAR

Sub: Threshold limit for priority in calling of container ships at Haldia Dock.

This is to inform to all concerned that in order to promote container traffic, the threshold limit for priority in calling of container ships at Haldia Dock has been amended as follows:

- a) Container ships fulfilling minimum 100 TEUs operation (import or export or import and export combined) per ship call shall be accorded calling priority at par with coal ships programmed to work at MHC equipped berth.
- b) Container ships fulfilling operations of 50 TEUs and above but less than 100 TEUs (import or export or import and export combined) per ship call shall be accorded calling priority at par with coal ships programmed to work at berth without MHC facilities.
