Re: Upgradation of calling priority norms for vessels carrying Naptha

The modified calling priority norms for vessels at KoPT was notified to the trade vide Circular No. MTO/G/104/Pt.VIII/495 dated 30.03.2016 and has been made effective from 01.04.2016.

Now in terms of the approval of the Board of Trustees, the calling priority for naptha carrying tankers will be at par with that of Crude/Liquid Ammonia/LPG Vessel.

Accordingly, the word "Naptha" against item 2 under "Note" at page-2 of the above Trade Circular stands deleted.

The aforesaid upgradation will be effected immediately and will be reviewed after six months from the date of this Circular.
