In the course of physical inspection of the plots allotted on short term license inside Dock Interior Zone for transit storage of cargo, it has been observed that a substantial number of licensees have neither taken any action to erect temporary fencing around their plots nor have placed any placard denoting name of the licensee.

Under the circumstances, all the agencies who take plot inside Dock Interior Zone for transit storage of cargo are once again being directed to comply with the following –

- Erection of temporary fencing around the plot(s) allotted to them.
- Placement of placard inside the plot denoting name of the licensee and plate number of the plot when assigned.
