CIRCULAR

Sub.: DPD facility to Authorized Economic Operators (AEOs) identified under the Customs programme.

The Authorized Economic Operator (AEO) Scheme has been envisaged by World Customs Organization (WCO) and is being implemented in many countries. The basic idea is to facilitate the Trade by extending different kinds of benefits to trusted stakeholders involved in Cross Border Trade, based on their level of compliance. The facility of Direct Port Delivery (DPD) from the Port is one such benefit, which is also one of the important initiatives of the Govt. of India under “Ease of Doing Business”.

In view of the above, it has been decided to allow DPD facility at Haldia Dock Complex to all Authorized Economic Operators (AEOs), who have been identified by Customs and notified by CBIC through its website (http://www.cbic.gov.in/htdocs-cbic/home_links/india-aeo-prgm).

The above is implemented with immediate effect.

(S. K. Saha Roy)
