Trade Circular

It has been decided by the appropriate authority that henceforth all import dry bulk cargo (excluding the cargo imported by local industries) has to be weighed in the weigh bridges inside the dock before effecting final delivery. A copy of the weighment slip must be produced to the gate warder along-with other delivery document at the time of taking gate delivery of the cargo. The gate warder will verify the quantity mentioned in the pass out slip as well as cart ticket with the weighment slip. The final Delivery of cargo will be given on the basis of the weighment.

All concerned are requested to comply with the above directive with effect from 01.09.2018.
