### TRADE CIRCULAR

#### Sub: Restriction on the unsafe operation of Transport and Equipment inside Port premises of HDC.

It has been noticed that some equipment / vehicles are being operated in unsafe / rash manner inside the Dock Premises, which thus may cause accident and pose great danger to the safety & health of dock workers working inside Dock Interior Zone of Haldia Dock Complex. The matter has been viewed very seriously by the Inspectorate of Dock Safety.

In order to avoid accidents and to keep safe working environment inside the Dock Interior Zone, it is hereby advised that all equipment / vehicles working inside Dock should strictly comply with the requirement of maintaining their equipment / vehicles in fit condition and to adhere to the prescribed speed limits inside Dock Interior Zone.

It is advised that all transporters and Handling Agents may take proactive action / measures for prevention and control of accidents inside Dock Zone of HDC, failing which strict action as deemed suitable by the Appropriate Authority will be initiated against the concerned transporter / Handling Agent.

The above is for strict compliance please.

Priyankar Sarkar  
Assistant Manager T.O(Sh & CH)
