1.	We have asked the Oil companies regarding the demand they project for meeting the MGT volumes. Unfortunately, they are yet to come back with a response on the same. Hence, our query is that if we participate in the RFQ stage and decide later, based on the Oil company response and/or other factors, that we do not wish to participate in the RFP stage, will our EMD be refunded in full?	In case no bid is submitted in the RFP stage, the Earnest Money deposited will be forfeited. May refer to clause-II (General Information to the Applicants) (G)(ii) at page-15 of the RFQ document.
