**‘REQUEST FOR SUBMISSION OF DETAILED TECHNICAL SCHEME’**

**SUB** :- Enquiry for obtaining ‘DETAILED TECHNICAL SCHEME’ for supply and installation of CCTV surveillance system in different locations including the operational areas under Haldia Dock Complex, SMPK at Haldia.

**Ref** : P&E division’s letter no. SDM(P&E)/1049 dated 30.09.2021, earlier hosted in the Website of HDC, SMPK.

Dear sirs,

Haldia Dock Complex, SMP, Kolkata intends execution of a project related to supply and installation of CCTV surveillance system in different locations including its operational areas at Haldia. The proposed system would be consisting of IP fixed cameras, IP PTZ Dome cameras, Video wall etc. to cater to our requirement along with all other accessories including poles for installation of cameras, laying of cables etc. for providing power supply as per site condition, with two years non-comprehensive Annual Maintenance Contract during Guarantee period and three years Comprehensive Annual Maintenance Contract after the Guarantee Period of the total surveillance system.

However, there is already an existing CCTV surveillance system covering various locations inside dock area and township area of Haldia Dock Complex. Accordingly, the scope of proposed additional system would be supply, installation, testing and commissioning of CCTV surveillance system, to be integrated with the existing one.

The intending experienced / reputed firms are requested to visit Haldia Dock Complex and submit their detailed Technical Scheme as per our requirement for the subject work, within 3.00 PM on 25.10.2021.

(S.Chakrabarty)  
Sr. Dy. Manager (P&E)  
Haldia Dock Complex, SMPK
