‘REQUEST FOR SUBMISSION OF DETAILED TECHNICAL SCHEME’

SUB :- Enquiry for obtaining ‘DETAILED TECHNICAL SCHEME’ for supply and installation of CCTV surveillance system in different locations under Haldia Dock Complex, SMPK at Haldia.

Dear Sirs,

Haldia Dock Complex (HDC), SMP, Kolkata intends to install CCTV surveillance system in different locations of HDC. The proposed system would be consisting of IP fixed cameras, IP PTZ Dome cameras, Video wall etc. The proposed project would also include construction of suitable poles for installation of cameras, laying of power & control cables etc. After installation, there would be non-comprehensive Maintenance Contract during Guarantee period of two years and Comprehensive Maintenance Contract for three years after the Guarantee Period of the total surveillance system.

However, HDC has already installed CCTV surveillance system in some areas inside dock and township. The proposed new system should cover additional area of operation and also augment the existing system and therefore the new system to be integrated with the existing one.

In view of above, the intending experienced / reputed firms are requested to visit Haldia Dock Complex and submit their detailed Technical Scheme for the proposed new CCTV surveillance system within 11.10.2021 at 11.30 hrs. The offers will be opened thereafter on the same day.

(S.Chakrabarty)
Sr. Dy. Manager (P&E)
Haldia Dock Complex, SMPK
