Name of Work: Cleaning septic tanks, inspection pits etc. at different areas of K.D.S under Environment Section jurisdiction as & when necessary for a period of one year from the date of placement of work order.

Scope of Work

- a) The work comprises for providing services for Cleaning of Septic Tanks, Inspection pits etc. & removal of chokage of underground sewer line at different areas of KDS under Environment section jurisdiction including disposal (in accordance with the attached bill of quantities) following approved sanitary process and as directed by the Engineer or his representative at site.
- b) Spoils generated out of the contractor's work shall have to be removed by the Contractor with his own labour and transport and at his own cost immediately on receipt of the instruction beyond KoPT areas and to be disposed as per Municipal/ Corporation Rules.
- c) The scope of work includes any other appurtenant work required for successful completion of the works as directed by the Engineer or his representative.

SPECIAL CONDITIONS OF CONTRACT

1. **General** : These conditions are part of the tender documents, which must be read as a whole, the various sections being complimentary to one another and are to be taken as mutually explanatory. These conditions shall be read in conjunction with the other parts of the tender documents viz. Trustees' General Conditions of Contract, drawings, if any and other documents forming part of the Contract.

Unless otherwise mentioned the work to be provided for by the contractor shall include but not be limited to the following:

- a) Provide all materials, equipment, workmen, supervision, services, scaffolding, temporary drainage, temporary fencing and temporary lighting as required for safety and work purposes etc. for the execution of the work.
- b) To take all the safety measures like using life jackets, helmets etc. required for such type of work and insure the labourers against any accident which may occur in the course of execution of the job, if required, at no extra cost.
- c) To cover all office/ household furniture with tarpaulin or similar type of cover when there is any chance of damage/ spoiling during the course of the work, if required or directed, at no extra cost.
- d) To make good any damage done to any property during execution of work at no extra cost.

2. **Work site:** The work site shall be considered to be different areas of KDS at Kolkata under Environment section jurisdiction as and where necessary. All intending tenderers should visit the site(s) of work and acquaint themselves with exact nature, scope & site of work before quoting the rates. No claims for any extra payment will be entertained under any circumstances after opening of the tender and at any stage during execution of the work excepting otherwise approved by Engineer or his representative.

3. **Working Period:** Normally the work will be carried out between 8am to 5pm on the Trustees' working days only. In case of any deviation from this, the contractor shall have to take prior permission from the Engineer or his representative. However, the tenderer should note that he might be required to carry out the job on Sundays, holidays and after normal working hours and at night in addition to the normal working hours to expedite the progress of the work at times. The tenderer should include in his rates the cost, if any, involved on these accounts.

4. **Time of Completion:** The work is periodical in nature and will be completed by 1(one) year from the date of placement of work order.
5. **Site Godown and watching:** The contractor shall have to make his own arrangements for construction of site godown (if any) for storage of materials and security thereof during day and night at his own cost. The godown and other temporary structures, if erected, are to be dismantled by the contractor before leaving the site after completion of the work at his own cost. The Trustees' will however, allow the construction of godown on the Trustees' land free of rent during execution of the work.
6. **Forwarding of Materials :** The contractor shall have to arrange transport for forwarding any usable/ saleable materials that may be found during the process of execution of the work to the Trustees' Sales yard or any other site/ godown including labourers, transportation, loading, unloading all complete as per the direction of the Engineer-in-Charge. No separate payment will be made to the contractor on this account unless specifically mentioned in the B.O.Q.
7. **Workmanship:** The contractor shall maintain workmanship of different items with an idea of providing a trouble-free service to the users of different facilities.
8. **Supervision:** The contractor shall have to engage sufficient number of qualified and skilled persons to supervise and execute the work. The contractor shall solely be responsible for any defective work as a result of poor supervision.
9. **Escalation/ variation in process:** No escalation/ variation on prices of labour as well as materials will be entertained.
10. **Discrepancies in the contract document:** The several documents forming the contract shall be taken, as mutually explanatory of one another and in case of discrepancies Bill of Quantities shall prevail over the Specifications and Special Conditions over the General Conditions. The Engineer's decision on this matter however, shall be final and binding and the tenderers' attention is drawn to clause 4.3 of the General Conditions of Contract in this respect."
11. **Specifications/ Codes and Standards:** All works under this contract will be executed according to the Trustees' Specification for materials and workmanship. Whenever the details are not specifically covered in the specifications, relevant provisions in the latest revision and/ or replacements of the Indian Standard Specifications (IS) or any other International Code of Practice/ CPWD specifications will be followed. The Contractor shall have to procure copies of such codes/ standards for ready reference of his own personnel as well as the Trustees' Engineers at site at his own cost and without any additional reimbursement.
12. **Safety:** The contractor shall follow all safety precaution for prevention of injury or accidents and safeguarding human lives and property. Dock safety regulations, if applicable, shall be strictly observed and safety officers of the KoPT be accorded all facilities for inspection of the works etc. whenever so required. The contractor shall further comply with any instruction issued by the Engineer in respect of safety, which may relate to temporary or permanent works, working of tools, plants & equipments, means of access or any other aspect. The contractor shall provide all necessary first aid measures, rescue and life saving equipment, etc. in proper condition, which shall be readily available for use at all times. The contractor shall adopt all the above safety measures at his own cost.
13. **Protection of existing services:** The contractor must pay full attention to the fact that the existing service facilities for users are not disrupted at any time due to storing of materials and spoil etc.

The contractor shall be held liable for all damage and any unauthorised interference to the existing service caused by him during execution of works. Should any damage be done to the existing services, in general the contractor shall make good the same and do any further work considered necessary by the Engineer's representative without any delay; otherwise the cost of such repairing shall be recovered from his running bill for which the Engineer's decision shall be final and binding.
14. **Cleaning during execution and after completion:** On completion of the works the contractor shall reinstate and make good at his own expense any property or land which might have been disturbed and/ or damaged by his works. He should also clean the site as required during execution and fully clear the site after completion of all the works.

The Contractor shall forward any usable materials found during the course of construction at the work site or its vicinity to stores/ yards of KoPT, dispose off the debris beyond the Port area all at his own expenses by his

own transport and labour and clean out all part of the work and leave everything clean and tidy to the entire satisfaction of the Engineer.

- 15. Water:** Water required for drinking and other purposes and for works will have to be arranged by the tenderer at their own cost.

16. Errors in the B.O.Q.:

In case rate of particular item is printed erroneously in BOQ, the rate stated in the relevant Schedule of Rates will prevail over the rate misprinted in BOQ.

- 17. Compliance to the Labour Laws and Contract Labour Regulation and Abolition Act, 1970:** The contractor shall be required to comply with the Minimum wages Acts 1948, Employees Liability Act, 1938, Industrial Disputes Act, 1938, industrial Dispute Act, 1940 and The Contract Labour (Regulation and Abolition) Act, 1970, or statutory amendments and the modifications thereof, any other laws relating thereto and the rules made there under from time to time.

It will be the duty of the contractor to abide by the provisions of the Act. Ordinances, Rules, Regulations, Byelaws and procedures as are lawfully necessary in the execution of the works. The contractor will be fully responsible for any delay/ damage etc. and keep the Engineer indemnified against all penalties and liabilities of any kind for noncompliance or infringement of such Acts, Ordinances, Rules, Regulations, By-laws and Procedures.

The contractor shall indemnify the KoPT against payment to be made under or for the observance of the laws aforesaid without prejudice to his right to claim indemnity from his subcontractor.

The aforesaid regulations shall be deemed to be a part of this contract and any breach thereof shall be deemed to be a Breach of Contract. It will be obligatory on the part of Contractor to obtain necessary Labour License from the competent Authority for deploying requisite Nos. of labours in the work and submit to the Engineer-in-Charge prior to commencement of the work.

18. Compliance of ESI Act – 1948

- i) All intending tenderers at the time of tender shall disclose all necessary documents as to whether they are covered under ESI Act or not.
- ii) In case they are covered under ESI Act, they have to furnish the details of registration, failing which their tender would be liable to be cancelled.
- iii) In case they are not covered under ESI Act or exempted, they would furnish necessary documents along with an affidavit affirmed before a first class Judicial Magistrate to that effect as per enclosed Proforma **Annexure – A).**
- iv) In case they are not covered under ESI Act, they must additionally indemnify KoPT against all damages and accident occurring to his labour in a Non – Judicial Stamp Paper worth Rs. 50.00. The same should be submitted by the L -1 tenderer after opening of the tender. The Proforma Indemnity Bond shall have to be collected by the L – 1 tenderer from the office of the Senior Executive Engineer, Environment after opening of the tender.
- v) The stamp paper for Affidavit & Indemnity Bond may be purchased before the date of N.I.T. but the affidavit should be sworn after the date of N.I.T. The same should be purchased in the name of the tenderer or with the name of Advocate who has signed the affidavit.

- 19.** All intending tenderer shall have to furnish the details of **EPF Registration** failing which their tender would be liable to be cancelled.

20. Compliance of Building and other Construction Workers (Regulation of Employment and Conditions of Service) Act, 1996 and other Construction Workers' Welfare Cess Act, 1996:

- a) The successful tenderer will be required to comply with the relevant provisions of Building and Other Construction Workers (Regulation of Employment and Conditions of Service) Act, 1996 and West Bengal Building and Other Construction Workers (Regulation of Employment and Conditions of Service) Act, 2004 as well as Building and Other Construction Workers' Welfare Cess Act, 1996 and the rules framed there under.
- b) An amount of Cess calculated at the rate of 1% of the billed amount shall be progressively recovered from each running bill as well as from the final bill of the Contractor for onward transmission of the same to the appropriate authority.

- 21. Income Tax:** Income Tax and other Taxes as applicable will be deducted as per rule.

- 22. Measurement and Payment:** The quantities set out in the “Bill of Quantities” are the estimated quantities of the work and they are not to be taken as the actual and correct quantities of the works to be executed by the contractor in fulfilment of his obligations under the contract. However, the contractor will be paid as per actual work executed by him and under the provision of the tender.
- 23. Dock permit:** The Contractor will be issued permits, if required free of cost, for their men, materials, carrying, transport, equipment, etc. when they are executing work awarded by KoPT inside the prohibited areas. Such free permits will be issued to the contractors on the basis of application indicating the specific number of free permits to be required, for men, materials, carrying, transport, equipment etc. However, token charge of **Rs. 5.00** or as may be decided by the KoPT authority from time to time per person per occasion etc. will be levied for creation of new I.D. in the **Permit system**.

23. (a) Bidder shall not use white ink for correction at any place of the tender paper.

(b) Non-conformation to the instruction at point No. (a) shall be treated as non- responsive and hence, may disqualify the Tenderer.

- 25.** As KoPT is not a Registered Body Corporate, it is not liable to pay service tax under ‘Reverse Charge Mechanism’ as per Service Tax Law. The service provider is liable to recover service tax as applicable. Reimbursement of Service Tax will be made to the Contractor by KoPT on submission of actual payment of Service Tax at full rate for the work as per the Finance Act, 1994.

However the contractor is liable to pay the Service Tax element at the applicable Govt. rate fixed by the government from time to time against L.D., damages, penalty, land rent, electricity charges, etc. & the same will be deducted from his bill when sent to the Finance Department for payment.

- 26.** “In case, it is found that in spite of giving undertaking in the checklist, if any tenderer fails to quote and or if any particulars furnished in the checklist are found incorrect, they will also be warned. In case the same enlisted contractors repeat such mistake on second occasion, his fixed security deposit would be forfeited and he will be debarred in participating in future tenders”.

- 27.** The tender will not be extended under any situation.
